Title: The Farmer-to-Farmer Agribusiness Volunteer Project in West NIS							
To accelerate market-oriented development through innovative exchanges and partnerships between private citizens and U.S. enterprises. In Ukraine, the program will focus on helping private farmers organize democratic associations and cooperatives, developing small and medium-scale private agribusinesses, and improving access to credit. In Moldova, the program will strengthen the National Farmers Federation and other private farmers' organizations, create private farmer credit systems, and develop small and medium-scale private agribusinesses. In Belarus, the focus will be on strengthening the Belarus Farmers Union, helping people become grassroots private farmers, and linking promising private farmers with Western agribusiness.
